

MORNING APPEAL

TUESDAY, MAY 6, 1879

THE ROYAL EXCURSIONISTS.

The ladies and gentlemen comprising the party from the Sandwich Islands, mentioned in our Sunday issue, returned Sunday evening in time to take the lightening train for San Francisco. They were very enthusiastic in their praises of the trip, the scenery on and about the lake, and the courtesy extended by the Governor, and by Mr. Bliss in granting them the use of the swift sailing Meteor. The party visited Rowland's, Gardener's and Emerald Bay, where they landed and walked up to the Cascade. At McKinney's, an impromptu lunch was gotten up in first class style, considering that the season has not yet opened and no preparations have been made for tourists. At Tahoe City the fish hatcheries were visited, and copious notes taken by the distinguished visitors. From there the Meteor ran across to Glenbrook in fifty minutes, and the wind coming up, the party were treated to a taste of the quality of the lake in its rougher moods, as well as an exhibition of the staunchness and sea-going qualities of the trim little steamer. The trip was in every way most enjoyable, some of the party never having seen a snow drift, much less our snow covered peaks and ravines, filled by the drifted masses. It is a source of gratification to many, probably all, of our citizens to feel that at the Capital distinguished visitors find a cordial reception and proper courtesy extended. It is creditable to the State, as well as courteous.

COUNTY COMMISSIONERS.

This Board held its monthly meeting yesterday. The store adjoining the jail was leased to Frank Boskowitz for one year, at a rental of \$50 per month. The only other business of importance transacted was the auditing of the following bills, which were ordered paid: Mason & Co., \$5 50; W. W. King, \$30; P. A. Wagner, \$4 25; Moore & Parker, \$50; Carson Water Company, \$5; Geo. T. Davis, \$2 75; E. J. White, \$43 25; M. A. Driesbach, \$20; S. C. Wright, \$30; Mrs. J. Sheyer & Co., \$26 25; L. Morris & Co., \$19 80; H. R. Mighels, \$49 50; John E. Cheney, \$33 73; W. M. Cary, \$56; L. B. Epstein, \$68 50; Lloyd Hill, \$296 10; W. B. Mann, \$25; J. H. Marshall, \$23 75; E. L. Stern, \$77 50; John Cushman, \$6; H. H. Pence, \$40; J. G. Fox, \$28 27; R. Fred Brooks, \$20 03.

HARDWARE.

We call attention to the new advertisement in this issue under the head line of "New Firm." Farmers and others interested in the hardware line will do well to send for Linnell & Co.'s circulars and see the inducements they are now offering. Mr. H. H. Linnell has been for years connected with the firm of M. C. Hawley & Co., and thoroughly understands the business in all its branches. Give the new firm a chance to prove their worthiness of patronage. They are established at 37 and 39 J street, Sacramento.

THE STONE MARKET.

This market, opposite the Arlington, has been opened by Messrs. Charles M. Schulz & Brother. They are ready to furnish the public with the choicest of all in their line, and solicit a liberal patronage.

MAGEE'S FREE AND EASY.—The rear guard of a once prosperous minstrel troupe, spoken of in Sunday's MORNING APPEAL, after making a raid on Genoa Sunday, returned here yesterday, and gave another free and easy performance in the rear part of Magee's saloon last night. The price of admission was nil, but the visitors had to buy a ticket for a drink, for which 25 cents was charged. The orchestra seats, made up of a few rough boards placed on candle boxes, were occupied by three urchins about ten or twelve years old, who took in the show with open mouths, and as much attention as an old theatrical critic would accord to Booth, Barrett or any other dramatic star of the first magnitude. The rear part of the room was filled by a score or more of free and easy gentlemen, who appeared not less interested than the occupants of the orchestra seats. The young men comprising this minstrel quartette have a pretty precocious way of getting along. But give the boys a chance.

OPIMUM SMOKING.—A little after 7 o'clock on Sunday evening, a gentleman occupying a prominent position in the Mint, while walking along the railroad track in Chinatown, observed a young man and woman in that quarter acting very strangely. He watched them for a few moments, when he suddenly saw them disappear into what he concluded to be an opium den. He vainly looked for an officer there, to give the information, but his search was vain. From this it appears that even the great penalty attached to opium smoking will not deter the white habitue from satisfying his fearful appetite.

GONE TO MAMMOTH CITY.—R. Fred Brooks, one of the oldest business men of this city, left for Mammoth City, Lake District, yesterday morning, with a large stock of goods for his branch store. Mr. Brooks will act as agent for the MORNING APPEAL in that section.

JULY RACES.

Entrances to trotting races close on the 15th of June, with M. L. Yager, secretary of the Association. Entrances to running races to close on each evening before the race, at 7 o'clock. Ten per cent entrance will be charged to all of the above races. Three horses or more to enter, and two or more to start in all races.

CITY ELECTION.

The election for City Trustees, yesterday, to supersede Messrs. D. A. Bender, H. T. Dunning, and E. P. Gibson, resulted in the election of D. A. Bender for Trustee at Large, J. M. Benton, Trustee of First Ward, and Charles E. Bray, Trustee of Second Ward. The votes were cast as follows:

ANOTHER WONDERFUL CURE

EFFECTED BY

CALIFORNIA ELASTIC TRUSS!

CALIFORNIA ELASTIC TRUSS COMPANY. W. J. HORNE, Proprietor. —Dear Sir: I feel that I owe it to you and to humanity to write the fact that I have been cured of a bad case of Hemorrhoids of thirty years standing, by one of your incomparable Trusses, which I purchased from you three months ago. I cannot describe the suffering, both physical and mental, that I have undergone during that period; and now I feel like a new being. I have worn all kinds of Trusses, both Steel and Elastic, and never received any permanent relief until I tried yours. Its simplicity of construction, and facility with which it can be adjusted, and the ease and perfect freedom to the motions of the body with which it can be worn without causing any irritation, are its chief merits, and it is a perfect supporter. I have not had any sign of a return of the rupture since the first day I put it on, and feel that I am perfectly cured. It is invaluable, and the fact should be known to the world. You can refer any one to me on the subject of their merits. I am, truly yours, ALFRED J. BIRKBECK, Chief Mail Clerk S. F. Daily Evening Post, San Francisco, July 20, 1878.

A Physician's 45 Years' Experience.

COLUMBIA, Tennessee Co., July 16, 1878.

W. J. HORNE, Esq.—Dear Sir: For some time past have used in my practice the California Elastic Truss, with entire satisfaction in most cases of complicated hernia of both sexes. During a practice of forty five years I have found no truss that would, with the same ease and certainty, retain the required adjustment, the pressure being always under the immediate control of the patient. The simplicity and ease of application is of itself a guarantee to every experienced physician. I have the honor to remit by mail the amount due, knowing that I contribute to the alleviation of afflicted humanity. Yours, truly,

J. P. THIBBETTS, M. D.
